Re: Docket No. 2011-430-W

Dear Ms. Boyd:

This letter is to withdraw our request previously submitted for Waiver of Full Utilities Application Process in reference to Docket No. 2011-430-W. After consultation with the Office of Regulatory Staff, the Board of Directors during November 15, 2011 session, decided to pursue other options relating to the water system. As of this date no other water fees will be collected and water will be distributed to its customers at no charge. We are perusing the formation of a Home Owners Association with the transfer of the system to them or to transfer our system to another presently operating utility, which would carry on under their management.

Thank you for your assistance in this matter.

Sincerely,

Jonathan P. Catron
Chairman, Board of Directors
